Chronic Illness Benefit (CIB)

The Chronic Illness Benefit (CIB) covers you for a defined list of chronic conditions. You need to apply to have your medicine and treatment covered for your chronic condition.

Comprehensive cover

This cover includes benefits that go beyond the essential healthcare services and Prescribed Minimum Benefits as prescribed by the Medical Schemes Act. Comprehensive cover offers additional cover and supplementary benefits to compliment basic cover. You have the flexibility to choose your healthcare options and service providers. Whether it's full cover or options outside of full cover, we give you the freedom to decide what suits your needs. Our cover is in line with or goes beyond defined clinical best practices. This makes sure that you get treatment that is expected and clinically appropriate.

We may review these principles from time to time to stay current with changes in the healthcare landscape. While comprehensive, cover remains subject to the Scheme's treatment guidelines, protocols, and designated service providers.

We still prioritise managed care to ensure the best outcomes for your health.

Co-payment

This is an amount that you need to pay towards a healthcare service. The amount can vary by the type of covered healthcare service, place of service or if the amount the service provider charges is higher than the rate we cover. H View the hospitals on the Smart Hospital Networks using Find a healthcare provider on the Discovery Health app.

What is the benefit?

This benefit pays the costs when you are admitted into hospital.

What we cover

You have unlimited cover in any private hospital approved by the Scheme, subject to the Smart and Essential Dynamic Smart Hospital Network.

Your doctor may recommend home-based care as part of your treatment. You will need to make use of our Home-based Hospital Network which is the designated service provider (DSP) for home-based care. If you choose not to make use of your DSP, you will need to pay R5,000 upfront for your admission.

How to get the benefit

Get your confirmation first

Contact us to confirm your hospital stay before you are admitted (this is known as pre-authorisation).

Where to go

On the Smart plans you need to use a hospital in the Smart Hospital Network. On the Essential Dynamic Smart, you need to make use of Ask Discovery to find the most appropriate hospital in the Essential Dynamic Smart Hospital Network for your care. For more information on Ask Discovery and referral to the Essential Dynamic Smart Hospital Network please refer to section 2. The funding of newly licensed facilities is subject to approval by the Scheme, on all health plans.

What we pay

If you use doctors, specialists and other healthcare professionals that we have an agreement with, we will pay for these services in full. We pay up to 200% of the Discovery Health Rate (DHR) on the Classic plan, and up to 100% of the DHR on Essential plans for other healthcare professionals.

You can avoid co-payments by:

- Using healthcare professionals that we have a payment arrangement with
- Going to a hospital in the network of hospitals for your plan.

If you have to go to hospital, we will pay your hospital expenses. There is no overall hospital limit for the year on any of the plans. However, there are limits to how much you can claim for some treatments.

Contact us in good time before you have to go to hospital. We will let you know what you are covered for. If you do not contact us before you go, we might not pay the costs.
