### 3. Partnership declaration

We declare we are in a long-term, committed relationship that is akin to marriage and that we live together at the same residence.

We understand that by signing this declaration, we agree to tell the Scheme should there in future be a change to the status of our relationship or any change to our living arrangements, such as separation. We further understand that if the information we give about our relationship or residency is false in any way, the Scheme reserves the right to end both our memberships.

Since when have you and your partner been in a relationship that is like a marriage?
