You can call us on **0860 103 933** or visit www.lahealth.co.za for more information.

Important information you need to know

We may change the information contained in this document from time to time. We will communicate any changes to the way we pay medicine when we make these changes.

The Out-of-Hospital Prescribed Minimum Benefit (OHPMB) and the utilisation of the benefits and programmes associated with this benefit are subject to specific conditions and rules. Members must make sure that they know these rules and conditions.

Any instructions or advice on medicine and the management of your condition are intended to add to, and not replace, the knowledge, expertise, skill and judgement of your doctor, pharmacist or other healthcare professional.

You receive full cover for approved medicine on our medicine list (formulary). Medicine not on our medicine list will be funded up to the Reference Price for that medicine category. You may have a co-payment for medicine not on our medicine list.

LA Health Medical Scheme and Discovery Health (Pty) Ltd reserve the right to change the benefit at any time.

Explanation of terms

Active ingredient

This is the main substance in a medicine that is responsible for the clinical action on a human body.

Benefit year

A benefit year refers to the benefits a member is entitled to during a calendar year that is 01 January to 31 December. This medicine list (formulary) is applicable for 2025 only.

Medicine class

This describes medicine that have similar chemical structures or similar therapeutic effects.

Prescribed Minimum Benefit conditions (PMB conditions)

These are conditions which all Medical Schemes are required to cover by the Council for Medical Schemes, according to clinical guidelines.

Reference Price

The Reference Price is a set monthly amount we pay up to for a medicine category. This applies to medicines that are not listed on the medicine list (formulary).
